    - Hemköp (Food/ Convenience store) is just around the corner, Vasagatan 30
- Where to eat
    - Apart from the food bought from Bellmans nothing should be eaten in the venue. However, you can bring food and eat backstage.

Stage

- The stage is 5x2,5 meters
- Stage entrance
    - Entrance is a big step up on stage right (audience left), alternatively a more solid stair in front of the stage.
    - The backstage area is in front of and next to the stage, in front of the audience.
    - Hidden entrance is unfortunately not possible, you will be visible for the audience for a couple of meters before going on stage.
- The first row of audience is 1-2 meters from the stage.
- Back stage
    - A big part of the backstage area will unfortunately be filled with costumes for the venue's own shows, and the second backstage area is small.
    - There is space in the venue to fix make up before the event starts, but then you'll have to bring your own mirror.
    - Parts of the ceiling are low, be wary if you have headpieces.
    - There is, technically, a toilet backstage but we recommend using the ones in the entrance of the venue.

Payment

- There are two ways to get payed
    - ***Reimbursement for expenses (up to the compensation limit)***
        - SAVE YOUR RECEIPTS!
        - It is preferred that the receipts are things you've bought for the show, but NOT NECESSARY FOR THE SHOW. The most important part is that they can be interpreted as likely for the show. For example:
            - Train tickets
            - Clothes
            - Make up
            - Fabric
        - We will collect receipts from you after the show
            - If you have physical receipts, please bring it to the show
            - You can mail us digital receipts
    - ***Send an invoice via your own business or through an invoice company such as Frilansfinans***
        - Invoice address will come after the show
        - 0% moms for live performances
        - Invoice must be sent to us at the latest 1 month after the show

Photo + Video

- All acts will be filmed and photographed professionally by
    - Photograf Walka https://www.instagram.com/hardisphoto/
- You will receive photos and film within a month after the show (probably shorter)

- The photographer have to be credited whenever possible
- You can do pretty much whatever you want with the photos, BUT NOT:
    - 1. Sell them without negotiating with the photographer
    - 2. Media/ Press has to pay for use. If the situation arises where a newspaper or similar wants to use an image, contact the photographer so that he can decide in which context it should be used and if/how much they should pay
    - 3. Change/edit images with filters etcetera. Cropping is ok.
